And Finally,

If you are successful and enrol into this traineeship, you will be asked to sign the trainee obligations and declaration. Some important points included in this are listed below and you must be aware of them.

- You will need a dive worker medical (AS2299) at your own expense. This must be provided before you start, or an appointment arranged for the first week of your training.
- You must never turn up with a hangover or under the influence of alcohol or drugs.
- You must not consume alcohol or be under the influence of drugs while at work
- You must be prepared to work long hard hours and work as a team
- You must be prepared to interact with our customers and join in to create a fun atmosphere for the trip
- If you decide not to complete the minimum number of days for the course, the company is under no obligation to sign off any certifications.

Please sign below if you understand these basic ground rules and wish to enrol in this course.
